Eric and Chip - Both of you don't necessarily need to be part of this planning meeting, but one of you definitely needs to participate. We can talk more about it on Monday.

Thanks,  
Mikell

**Subject:** Planning for April 11 ERA Framework meeting

Eric, Chip, Jim and Rick,

If possible, I'd like to sit down with you early next week to talk through our goals for the April 11 ERA Framework meeting with the LWG and EPA/partners. I have some ideas for the agenda but think it would be well worth our time to spend an hour or so on thoughtful planning. I'm available anytime on Tuesday, April 4, or on the morning of Wednesday, April 5. Please let me know what times work for you. Jim and Rick - if you'd rather have someone else from the LWG participate in planning for the meeting, just let me know.

Thanks,  
Mikell
